A MONTHLY NEWSLETTER FOR GRACESPRING CHURCH

No. 234 June 2019

Congrats, 2019 Grads!

GraceSpring is proud to have five graduates this year. We profiled Brooke Lindgren, Evan Lites and Joshua Miner in the May LoveGram.

Louis Chery. After graduating, Louis will continue to work at his job detailing vehicles at Vero Nissan and will attend IRSC in the Fall. This summer he's also looking forward to serving at Youth for Christ Middle School Camp with Project Serve. He is proud that he has made it this far in life, having immigrated from Haiti without his father, with a mother who often had to travel for work. While attending Vero Beach High School, his favorite subject has been math, but teachers who've made an impact include Mr. Walker (art), who treats students like real people, and Mrs. Wood (English) who is very disciplined. He's that rare student who is going to miss the daily routine of getting up and going to school every day. Louis' advice to us is ... resist peer pressure! Louis is interested in physical therapy and hopes to have a family and travel the world.

Matthew (Bug) Manning graduated with honors and earned certification in Premiere Pro for video editing. He plans to do a photography internship over the summer at Camp Highlander in North Carolina and will attend University of North Florida in Jacksonville in the fall to study for a major in photography and a minor in international business. He's had many great teachers at VBHS, from Environmental Studies to Digital Video, all of whom have taught him important lessons. He says he'll miss the times shared with friends and family throughout high school. He says he's learned the importance of making the most of one's time and doing what you love with the ones you love. In 10 years, he hopes to be traveling the world doing photography—and skateboarding. He believes God is calling him to use his gifts to maximum advantage, working to serve Him well, wherever he is and whatever he does.

And here are **Brooke, Evan and Joshua:**

Welcome Back, Kevin!

A longtime member of GraceSpring returns this summer as part-time ministry intern. Kevin Bauslaugh will be helping primarily in areas of youth ministry and worship technology, but he will also serve in various other ministry areas. This internship will not only free up existing staff to tackle special projects and address areas of need, but also will provide practical ministry experience for Kevin, who is majoring in Digital Media at Liberty University.
