No. 246 October 2020

From Pastor Brian

GraceSpring Family,

Over the past few months we've seen a steady increase in the number of our congregation who are joining us in-person for worship each Sunday. We have also enjoyed the amazing opportunity to welcome a number of visitors to our services for the very first time. What an incredible blessing this has been! With the seating capacity of our sanctuary having been significantly reduced, as well as the continued desire for a certain amount of physical distancing, we recently began hosting an 8:30am worship service each Sunday morning. This service is slightly different in form than our 10:00am service, as there is currently no childcare available and the music is a bit more acoustic in nature. Our initial plan is to offer this service through at least the month of October. If it has been awhile since you've joined us in-person, and you would like a little more room to spread out (or you are simply an early riser), we'd love for you to join us this Sunday morning at 8:30am. If you have any questions regarding either of the services, please feel free to reach out to me by email or phone: brian@gracespring.com or 772-562-5948. Hope to see you soon!

Expansion Update

During our recent congregational meeting, a detailed update was provided in regard to the expansion process here at GraceSpring. If you were unable to attend and would like an overview of this presentation, please email Jonathan Lones chairman@gracespring.com. With numerous options and decisions in front of us, we are utilizing the next month to pray and listen for the heart of God in regard to the expansion process here at GraceSpring. Please pray for God to provide continued wisdom and guidance as to how we move forward. If, as you are listening in prayer, you have something you would like to share or questions you would like to ask in regard to this process, we have set up a way for you to do that at gracespring.com/reach. We also invite you to join us October 25 at 6:30pm to further explore these decisions and discussions through a time of gathered prayer.
